Dear Kevin:

...A long overdue letter for your work done here recently.

**I personally want to thank you for a speech well done and well received.
Even though it was at 7:00 AM from the balcony!**

**I heard many good comments and employees that come through my office
look at the picture of your plane.**

**I have the four "I"s posted on the picture and refer them to employees
frequently. In fact I have used them in our Sales Meetings as motivational
material.**

Kevin thanks again for a job well done.

Cordially,
