Dear Kevin:

Thank you for your exhilarating speech at our national franchisee meeting. Your speech perfectly matched the theme of the meeting – ‘One team, One mission.’ We needed to have more teamwork going on in our organization and your presentation definitely moved us in the correct direction.

Our franchisees were enthralled with your presentation and felt like they were sitting in the cockpit with you. Your presentation was very uplifting for our group and set the tone for the rest of the meeting – teamwork is key and focusing on the important things, while learning to ignore the immaterial. Your enthusiasm and energy are contagious.

You brought a high level of value to our meeting. Many of our franchisees said after your presentation that they are going to implement the strategies you gave them for operating under the pressures we all face in business today. I am sure this will help our teams become more profitable.

You were just what the Doctor ordered!!!
