RE: Kansas Recreation & Park Association Conference

Dear Kevin:

Thank you for the inspirational and motivational keynote presentation you gave at our recent conference. I wanted to write to you because of the overwhelmingly positive comments we received about it.

In addition to receiving feedback form comments like "Great motivational speaker!" and "He was able to relate this story to others' lives" we also had the comment, "In the 6 or 7 years coming to KRPA this is the best speaker I've ever heard."

We appreciate your professionalism and pre-meeting research you completed in order to customize your message for our group.

Thank you and please feel free to use us as a reference any time.

Sincerely,

Doug Vance
Executive Director
Kansas Recreation & Park Association (KRPA)
