Dear Kevin:

As the closing keynote we asked you to send off our members with a fabulous feeling of enthusiasm - - the standing ovation clearly illustrates your success. Also, when our president went to the podium immediately after your presentation and his first word to the audience was WOW, that also is a testament to your ability to add value to our conference - - You truly exceeded our expectations. We THANK YOU for that!! We had fantastic feedback from our members about you.

I think your message would have great value to any association or organization whose members are under pressure and stress in today's challenging, dynamic world. Please use me as a reference for anyone that is looking for a magnificent speaker, a speaker who delivers a roadmap for success in our pressure packed world.

Best Regards,
